

Trips and activities

- Classroom Aircraft Day – no charge
- Day out at the Brooklands Museum - Approximate cost £15

Things to do at home:

- Visit the London Transport Museum
- Explore the local area and make observations of the plants and wildlife
- Discuss the weather and changes in the seasons
- Go to the local library and take out some atlases and/or non-fiction books about different modes of transport to do some research.

Children, please use the space in the bubble to write a question you want to find out the answer to. You may wish to ask about different modes of transport or ask questions about different countries around the World.
