ACTIVITY: Breakfast Club

LOCATION : St Michael's Infant School

DATE: 25.8 2020

Name: Nicola Cleather **Organisation:** St Michael's Infant School

Assessment undertaken (date) 25th August 2020 Signed *Nicola Cleather* Assessment Review Date: - on-going review due to Coronavirus pandemic

LIST HAZARDS HERE	List of groups of people who are especially at risk from the significant hazards you have identified:	How will you control this risk? (You can append or refer to relevant documentation that explains your safety arrangements, e.g. letter to parents, booklet prepared for students, letter from residential centre, extract in safety manual etc.	Post event review (use this column to comment if you have a concern or an incident occurred)
Child leaving school site	EYFS, younger children	<p>1 x Club staff member, to welcome children to the club at the main door to the Hall and register them. Outside doors are locked and gated</p> <p style="color: red;">Children to always stay in allocated Hall unless directed otherwise. Expectations of always being able to see an adult explained to the children.</p> <p style="color: red;">If group leave the room they will be accompanied by the club leader who will have a walkie-talkie to use for an emergency.</p> <p style="color: red;">At the end of the club, the parents will collect from the door of the hall</p>	
Asthma attack Epileptic seizure	<p>Children with medical conditions needing medication</p> <p>Asthmatic children:</p> <p>Anaphylactic children: Epipens and piriton in school</p> <p>See IHCPs for specific information</p>	<p>Staff member always assigned to be an additional adult if a medical issue arises. (Mrs Piggott or Mrs Cleather) Named and trained staff member to be available for administration of medication until the children have been dismissed.</p> <p>Staff , Mrs Tasha Guegan and Mrs Jane Stott both PFA trained (September 2019)</p> <p>Children's medication stored in the hall resources cupboard (out of reach of children) A staff member trained in the use of epi-pens will need to be on site for each session.</p>	

		All adults to be aware to look out for any sign of anaphylactic attack.	
Children hurting themselves by running/climbing/charging around	All children	<p>Behavioural expectations during the club will be clearly explained to the children and match those expected during the school day. Leaders will inform a staff member if AT ANY POINT they feel a child is behaving in an unsafe manner and the child will be IMMEDIATELY asked to stand with the leader and not participate in the club.</p> <p>Children will be allowed to go to the toilet themselves, but will be monitored that they have safely returned. Leaders should aim for no more than 2 children to be using the toilet at any time.</p> <p>Club Leader to have Walkie Talkie with them to communicate to assigned staff member who will also have walkie-talkie.</p> <p>All injuries will be dealt with by the staff on duty and then recorded in the appropriate accident book (school or pre-school) by the breakfast club staff following standard protocols. Parents and school staff will be informed if necessary and all head injuries will be clearly recorded and parents notified by either the breakfast club staff or school office staff.</p> <p>PPE will be available for staff in the Hall – they will check that they have a disposable apron, gloves and mask before they begin the club. This PPE will be used if there is a suspected case of Covid or if staff are dealing with intimate care or involvement of any bodily fluids.</p> <p>A donning and doffing poster will be displayed in the Hall and staff will be aware of how this is done.</p> <p>Any disposable PPE will be disposed of in general waste (if not a suspected Covid case) or kept for 72 hours and stored in the boiler house marked with a date and time when it can be disposed off (after 72 hours)</p>	
Fire	All	<p>In the event of a fire the alarm will sound and the group will leave the building immediately in a calm manner and gather in the allocated place. (playground)</p> <p>Mrs Guegan and Mrs Stott as Club Leaders will take the register and make sure that all children are accounted for and await further instructions for the assigned staff member.</p>	
Outsider danger	All children	<p>Staff will respond to the lockdown instructions given by the assigned staff member or react to any obvious danger using the known full and partial lockdown procedures.</p>	
General safeguarding		<p>All leaders of after school clubs will have an up to date DBS check appropriate for the activity/school</p> <p>Mrs Guegan and Mrs Stott</p> <p>The quality and conduct of the leaders will be regularly checked by an allocated staff member to ensure they are communicating in a manner that shows respect and consideration and that they are clearly communicating high behavioural expectations.</p>	

		<p>The following numbers will be maintained 1:15 (10 school children, 5 pre-school children) Staff will have the appropriate qualifications to lead an extended service for children 3-7.</p>	
Food poisoning	All	<p>All food eaten by children will be prepared using appropriate food hygiene guidance. Miss Stamford and Miss Johnson have both completed the food hygiene on-line training Level 2 https://www.highspeedtraining.co.uk/food-safety/training/level2-food-hygiene-safety-catering.aspx The club is registered as providing food with the appropriate body.</p>	
Infectious diseases (specifically Covid)	Children Vulnerable adults	<p>Social distancing: To be will be maintained (2m when possible) between adults at all times during the club. Parents will be asked to socially distance when dropping off and there will be clear signage to help them maintain that distance across the one-way system. Children will be encouraged to distance if possible and separate areas will be in place to minimise cross-over between pre-school and school children.</p> <p>Hand hygiene: Staff will wash their hands (for at least 20 seconds) on entry to the school site. Children will wash their hands (helped by 1 member of the staff to ensure for more than 20 seconds and thoroughly) in the hall toilets on entry and before eating food. Staff will wash hands regularly during the session. Children will be guided to an adult in their school classrooms to wash their hands after the club has finished. Parents will use the anti-bacterial gel for pressing the exit button.</p> <p>Respiratory hygiene: Children will be reminded to use their arm to cough or sneeze or a tissue that is then placed in a foot operated covered bin. The bin bag will be disposed of at the end of each session. (in general bin use unless there is a suspected case of Covid-19) Maximum ventilation will be in place (windows open)</p> <p>General hygiene: All surfaces commonly used will be cleaned by the staff of the club at the start of every day and again at the end of the session. Tables will be cleaned thoroughly using disinfectant spray before and after use. Boxes of shared resources will be used for each day and stored for 72 hours before using again:</p> <p>Monday – Box 1</p>	

		<p>Tuesday – Box 2 Wednesday- Box 3 Thursday- Box1 Friday – Box2</p> <p>All malleable and soft furnishing will be removed and those that cannot will be covered in wipeable plastic.</p> <p>If there is a suspected case of Covid-19* adults should don their PPE and communicate this to the school office or staff. The child should be removed for the hall and taken to the school office and looked after in the medical area by a breakfast club or school staff member. The parents should be phoned immediately and asked to collect the child and be guided to take a test.</p> <p>If the child needs to the toilet they should use the disabled toilet only and this, along with the medical are, should be thoroughly disinfected and cleaner after they have left.</p> <p>Ant ins should be labelled and kept for 72 hours before general disposal.</p>
