

St Michael's C of E (A) Infant School

Weekly Update 11 September 2020

## Otters

What a great start to Otters class!

I am so proud of the way the children have come into school and settled so nicely! They are already part of the St. Michael's school community. It was so lovely to meet you all during our Home Visit times. I look forward to working alongside you this year. Have a super weekend.

### **Next week in Otters**

Next week remains half-day sessions for all children. We will be continuing to assess the children's concentration. We will begin to explore reading and writing and we will look at the children's physical development.

### **Things to note:**

We will be starting our PE and Forest School sessions from Wednesday 30<sup>th</sup> September. More details to follow.
