

Otters (Year R)

These weeks are whizzing by! Another busy, yet successful week – well done! Next week we will be looking at the story of “Supertato” and creating our own super hero veggies! I wonder what our superheroes will do? We will be writing sentences using the keywords **I am**. In maths we will be looking at money. We will be looking at coins, especially 1p and 2p and we will be “buying things” from the Otters shop!

Other things to note: Please remember to send any home learning in via a simple video or picture to the school office. Some gentle reminders – we would love to get Marvellous Me up and running if you haven't replied to the letter sent out, could you please do so asap and don't forget to check ParentMail and your child's book bag for messages.

Owls (Year 1)

Woodpeckers (Year 2)

Maths

Next week we will continue our addition and subtraction unit of work. We will again focus on addition, adding numbers together and solving one step addition problems.

Next week we are continuing to look at division and dividing. We will concentrate on the terms “sharing “ and “grouping” and we will be using a range of resources to help solve number sentences.

Literacy

Next week, we will be learning facts about British wildlife. We will be writing fact files for some animals that we can find locally. We will be starting to read and write some of our Year 1 common exception words.

Next week we will be making bugs (cross linked to DT). We will focus on writing a set of instructions to show someone how to make our bugs!

Other things to note:

Foundation Subjects

RE – we will be looking at how Christians know that God is around in our world today.

Science – We will be looking at animals including humans - what foods we should eat in order to get a balanced, healthy diet.

Music/DT – We are continuing to make and play our own musical instruments.

Art/Geography – We are drawing maps of the school with symbols in a key.

RE – We will be looking at “Who is God? And thinking about how different people see God.

PSHE – We will be reflecting on our mental well being from the mental wellbeing day.

PE – Premier Sports and the Golden Mile.
