

Otters (Year R)

Where is the time going? It does not seem a week since I wrote the last weekly update! Next week (our last week) will be mainly a fun Christmas time, making and creating Christmas 'bits' (cards, decorations etc.) I know the children are tired and excited at this time of year (the adults are too!) We will, however, still have our daily phonics and maths sessions and I ask over the holidays that you try to continue to count as much as you can with your child and to look at our phonics – this will really help learning when we get back. **Other things to note:** Next Friday 18th, the children will have another Forest School session so please wear Forest School clothes on this day. They will continue to have their Wednesday session too. Remember Christmas lunch is next Wednesday 16th – Christmas jumpers can be worn!

Owls (Year 1)

Woodpeckers (Year 2)

Maths

This week, we will be finishing off our unit of work on Place Value and having a quiz and doing some Christmas problem solving.

We will be doing lots of fun maths quizzes and games to consolidate this term's learning. We will set maths challenges for each other.

Literacy

This week, we will be finishing off writing our nativity stories and writing Christmas cards. We will also be having an interactive story afternoon.

We will be finishing writing the Nativity Story. We will be editing work we have done this term and writing Christmas riddles!

Foundation Subjects

(All afternoon sessions will be differentiated and taught at an appropriate level for the children's age and ability)

Next week in...

Foundation subjects - Christmas art and crafts!

We will be focussing on art and DT. The children will be making Christmas cards and decorations.

PSHE: We will be reflecting on this term and what we have achieved.

R.E: We will be thinking about Jesus and what he would want us to be thinking about at this time of year.
