

God made the animals.

Recap our stories from the bible.

- Can you remember any of our animal stories?
- Have a look at the next slides to remind you and see if you can think about the questions underneath the pictures.
- Do you have a favourite animal story from the Bible?

What can you see in this picture? Who is this man? Is there anything you remember from the story?

Who was this man? Why is he in this den? What is he doing?
How do you think he was feeling?

How did this person get inside the whale? What happened next?

Activity

These stories from the Bible remind us that :

God will be with us in difficult situations.

That we can say thank you to God for looking after us.

He will forgive us if we do something wrong.

That God made the animals and we should take care of them.

Can you draw a picture from your favourite story we have looked at? Could you write one super sentence underneath telling me why it is your favourite?

E.g.

I like the Noah story because I like rainbows.

I like the story of Jonah because God forgave him.

(Grown ups it is fine to help with spelling for this activity, but please encourage children to try any letters they can hear in the words and to tell you the sentence before writing)
