

Week beginning 8th November

Ladybird Class Weekly Update

Welcome to another half term – and the run up to (dare I say it) Christmas!

Our topic next week is space.

Next week we will be continuing to revisit all our sounds, blending, segmenting using FRED talk, and FRED fingers to help us decode words.

In Literacy we will be designing our own aliens and writing about them using keywords “It has...”.

In Numeracy we will be looking at subsisting – where we will encourage the children to recognise a range of different numbers by sight, not by counting them.

Things to remember: Forest School Thursday; please only bring in wet weather gear if the weather is wet! We have no room at the moment to store it at school.

Butterfly Class Weekly Update

A super week Butterfly Class.

Next week...

English - we will be thinking about Remembrance Day.

Maths - we will be looking at subtraction and then comparing statements using the $<$ $>$ $=$ symbols.

Geography - we will be looking at the continent of Asia and focusing on China.

Art - we will explore the colours and patterns of African art.

History - we will spend time on Thursday thinking about why we wear poppies.

Science - we will be looking at humans.

Friday will be Forest School and PE.

Have a lovely weekend

Dragonfly Class Weekly Update

Next week.....

In English we will be focusing on Remembrance Day and writing poetry.

In Maths we will be adding on 10s to a 2-digit number (extending this to larger numbers).

In Science we will be looking at how different animals have babies.

In RE we will be looking at stories in the old and New Testament and seeing how God appears in these stories.

In Geography we are going to Asia and exploring China!

In Art we are going to Africa to look at their art and create our own versions!
