

Week beginning 18th July

Ladybird Class Weekly Update

I cannot believe that I am writing this for the last week of Ladybird class! I am amazed at how much the children have achieved over the last year, they are a real credit to you all. I wish them all for the best for a great Year 1.

We will be looking at our hopes for next year, how we hope to develop our learning and we will address any worries as necessary.

Things to remember: The heatwave continues into next week – so please make sure you have a water bottle, all day sun cream on and a hat at school each day. We will be sending home books etc on Monday.

I hope you have a restful and safe summer and I will still see you in Year 1!

Butterfly Class and Dragonfly Class Weekly Update

We are looking forward to our final week.

On Monday morning we will have our sponsored walk around the school.

Next week we will be mixing into our colour groups and then enjoying a carousel of activities across the week.

On Wednesday afternoon at 2 o'clock we will walk together as a school to bid farewell to our Year 2 children.

Exercise books will be coming home next week.

Please remember sunhats, water bottles and to wear suncream each day.
